**PETITION TO CORRECT INVENTORSHIP UNDER 37 C.F.R. §1.497(d)**

S I R :

This application is a national stage application based upon PCT/AU2004/001502. The oath or declaration has not been previously filed in this case but is being submitted herewith. The declaration submitted herewith names an inventive entity different from the inventive entity set forth in the international application.

It has been determined that Bruce Howard Goldby, named as an inventor in the international application, is not properly an inventor and the only inventor is Geoffrey Carlisle.

Attached please find the statement from Mr. Goldby which confirms that the error in inventorship in the international application occurred without deceptive intention on his part.

Also attached is a check (Check No. 26851) in the amount of the processing fee set forth in § 1.17(i) in the amount of \$130.
